STRATIUM GLOBAL

PREVENTION / PREPAREDNESS / RESPONSE / RECOVERY

A TIME FOR INTEGRATION – Timely effective sharing

- THE CURRENT THREAT ENVIRONMENT

- Range of threats:

- Ongoing, ubiquitous extreme fundamentalist Islamic threat, various hues.
 - Re-emerging, re-energised far right wing
 - Emerging extreme environmental/green activism

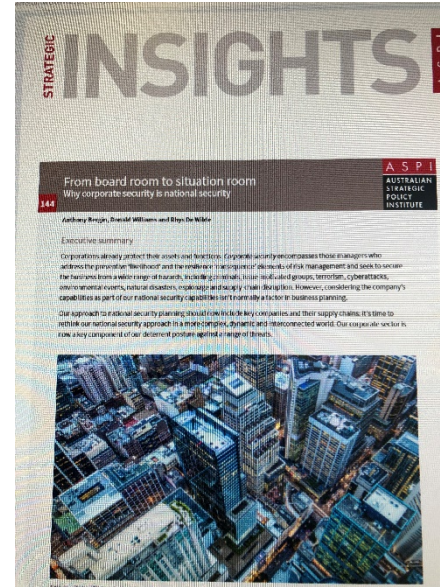

Other problems

- Foreign interference
- Commercial espionage, foreign and domestic
- Range of conflicts OS
- failed and failing states= the biggest mass movement of humanity since WWII, and,
- The returning fighters –integration
- Burgeoning Multiplicity of stakeholders – Federal, State and private sector
 - AFP, ASIO, ASIS, ASD, ABF, ACIC, ACLEI, OK?
- Technology, enemy or friend?

Some thoughts on way forward: UTOPIA

- Integration of government systems
- Private-Govt. cooperation – Timely, effective?
 - Project Griffin
 - BENS – Business Executives for National Security
 - Police Foundation
- Joint training and accreditation
